

# Jahidul Islam Hiron

Software Development Engineer - NodeJs

Dear Hiring Team,

I am writing in response to the opening for Craftsmen, which I believe may report to you.

I can offer you one year of professional experience as a full-stack web developer. I have a handful of experience in Complexity Analysis & Optimization, Big Query optimization & Big Data Analysis, Building Restful Web Services, Skilled in version controlling like git all of which should make me an ideal candidate for this opening.

I have attached my resume for your review and would welcome the chance to speak with you sometime.

Best regards,

Jahid Hiron
